

PLEASANT BUT MAINLY SAFE

Our team is here for you and will do everything to make you feel safe and comfortable. We will welcome each guest with love, but if you do not feel healthy, we recommend you to stay at home. In the interest of the safety of our guests and staff, the hotel may refuse to accommodate a guest if on the day of check in comes from a risk area, the so-called outbreaks published by the Public Health Office of the Slovak Republic or from areas where there is a significant increase in the number of effective tested persons. We believe that by taking measures, the epidemiological situation will remain under control and you can enjoy your stay.

WHAT WE HAVE DONE FOR YOUR SAFETY

- We regularly check our employees' compliance with strict hygiene standards.
- We regularly disinfect common areas.
- We have equipped employees with protective veils, shields, gloves and disinfectant gels.
- We are placed in the areas of disinfection stands
- If the hotel staff evaluates that a guest is coming, or a hotel guest has signs of a respiratory illness, they may refuse to accommodate the guest.

MEASURES OF THE PUBLIC HEALTH OFFICE OF THE SLOVAKIA for catering and accommodation operations

- In indoor conditions, it is necessary to wear a veil in addition to the time of consumption of drinks and meals
- We disinfect the areas after each guest in the restaurant.
- Every hand washing is important.
- Please stay home if you have any respiratory illness.
- Use our disinfection stands.
- Please let us know if you suspect health problems.
- Please respect these restrictions, we protect you and us.
